Technical drawing of a rectangular structure, likely a wall or partition, showing dimensions and labels. The drawing includes a vertical section on the left and a horizontal section at the bottom, both defined by dashed lines. The vertical section has a total height of 5,450, divided into three segments of 1,800, 1,800, and 927. The horizontal section has a total width of 3,104, divided into two segments of 2,873 and 221. The vertical section shows three rectangular units, each with a width of 221 and a height of 1,800. The horizontal section shows two rectangular units, each with a width of 2,873 and a height of 221. The units are labeled 'a' and 'b'.
